The Chatham Arts Tour:

The Artful Dodger

At Chatham Station you will meet a local resident from the Victorian history of the area.

Fact & fiction, printing and protest - then and now - are the topics of discussion, as you explore surprising views and hidden gems. You will discover a riverside route with views straight out of Dickens & your guide will ensure you don't miss any of the historic features 'hidden in plain sight' amidst the eclectic architecture off Medway's beaten track.

Your workshop: In the quirky surroundings of Chatham 'Intra', Medway Fine Printmakers will facilitate your creation of a tote bag or t-shirt with the slogan of your choice. While it dries, you will be transported along the route of a further part of the London, Chatham & Dover Railway, viewing landmarks of the industrial revolution to sup a steaming hot toddy in a secret location!

Running time: 4 hours

Price: £150 per person
